Dear potential sponsor or patron,

The Charlotte Harbor Environmental Center is hosting its 2nd annual fundraising event "Cedar Point Halloween Haunted Hike" on every Saturday Night in October 2023.

This event allows us to bring together our community and provides the opportunity to celebrate Halloween by appreciating and immersing in the nocturnal Florida environment.

As a fundraising event, we are currently seeking donations and sponsorships. Sponsoring this event provides us with the funds needed to further our mission of raising public awareness of our precious Florida environment. We would be thrilled to have your organization as part of our support team.

If you are interested in making a donation, becoming a sponsor, or contributing a door prize for the costume contest, please do not hesitate to contact me at Tome@checflorida.org to discuss opportunities further.

Thank you and I hope you may consider us!

Warmest regards,

Tome Shaaltiel
