Charlotte Harbor area.*

Rev. 7/21/2023

June 16, 2023

Dear potential keynote speaker or vendor,

It is our pleasure to invite you to participate at The Charlotte Harbor Environmental Center 2nd annual fundraising event "Cedar Point Halloween Haunted Hike" on one or on every Saturday night in October 2023.

This family friendly event will take place at Cedar Point Environmental Park, in Englewood, Florida, on the following four consecutive Saturdays in October between 6pm-9pm: October 7th, 14th, 21st, & 28th.

The event will feature a spooky haunted hike, local food trucks, pumpkin patch, keynote speakers, environmental organizations who protect and rescue nocturnal wildlife, crafts, costume contest and more. Admission fees will be \$5.00 per person. Children under 6 years old may enter for free! The guided haunted hike will be accessible for a younger crowd from 6pm-7pm while there is still light outside. Later on, "scare-ers" will be hidden along the trail to make for a truly spooky event.

With your support and collaboration, we hope to bring together our community and provide the opportunity to celebrate Halloween by appreciating and immersing in the nocturnal Florida environment.

Please confirm participation at the 2023 Cedar Point Halloween Haunted Hike event by completing the following form:

<https://forms.gle/UWtD2bCWca9SL9VJ9>.

Please feel free to contact Tome Shaaltiel at Tome@chechflorida.org for any additional questions.

Thank you and I hope you may consider us!

Warmest regards,

Tome Shaaltiel
