non-profit corporation with the mission
of providing environmental education,
recreation, research, and
preservation land management for the
residents and visitors of the greater
Charlotte Harbor area.*

July 25th, 2024

Dear potential keynote speaker or vendor,

It is our pleasure to invite you to participate at The Charlotte Harbor Environmental Center 3rd annual fundraising event "Cedar Point Halloween Haunted Trails" on one or on every Saturday night in October 2024.

This family-friendly event will take place at Cedar Point Environmental Park in Englewood, Florida, on the following four consecutive Saturdays in October between 6 pm-9 pm: October 5th, 12th, 19th, & 26th.

The event will feature spooky haunted trails, local food trucks, keynote speakers, environmental organizations who protect and rescue nocturnal wildlife, crafts, costume contest and more.

With your support and collaboration, we hope to bring together our community and provide the opportunity to celebrate Halloween by appreciating and immersing in the nocturnal Florida environment.

Please confirm participation at the 2024 Cedar Point Halloween Haunted Trails event by completing the following form:
<https://forms.gle/pfg5BUGYs5oeN9Q56> .

Please feel free to contact Tome Shaaltiel at Tome@checflorida.org for any additional questions.

Thank you and I hope you may consider us!

Warmest regards,

Tome Shaaltiel
